

GRAND ROYALE

2013 CABERNET SAUVIGNON

This exclusive limited release is the essence of a sophisticated and elegant wine.

This wine is an outstanding representation of premium, very old, dry grown Coonawarra Cabernet Sauvignon grown in what was arguably one of the best seasons that the region has seen in two decades. This wine is drinking beautifully now and will continue to develop and mature gaining complexity and exquisiteness for the patient over the next 15 to 20 years.

Colour

Deep garnet almost black with a crimson hue.

Bouquet

An intriguing lifted and perfumed bouquet of ripe black cherries and **currents**, cedar box, freshly cut mint, violets and lavender, eucalypt and wild rose.

Palate

The palate is elegant and delightfully poised with flavours of **black currents**, mulberry, black olive and new leather. The structure is beautifully balanced with a silky texture, subtle tannins, natural berry acid and complex layered undertones of new and seasoned French oak.

Serving and Cellaring

Drinking beautifully now, the intense structure and depth will ensure the wine will continue to develop and mature gaining complexity for the next 20 years. Store lying down at a constant temperature of 15–18 degrees Celsius. Decanting is recommended to open up the flavours and enhance the complexity of the wine.
